

PERFECTION
S E R V O

BALLSCREWS

Perfection can rebuilt or replace virtually any ballscrew. We can handle ACME screw and nut assemblies, and repair work from all the major manufacturers. We also provide precision grinding services to keep al of your screw and nut assemblies at the peak of their performance. As always, we provide free evaluation, and every unit we ship has been completely tested to perform within strict OEM standards.

We service all major ballscrew brands, including:

- Beaver
- Bridgeport
- Cincinnati
- Giddings and Lewis
- Hardinge
- Kearney and Trecker
- Mazak
- NSK
- Okuma
- Sundstrand
- Thompson/Saginaw
- 20th Century
